

Railway Systems donates K10m towards Nc'wala

Times of Zambia
22nd February, 2008

The Railway Systems of Zambia (RSZ) has donated K10 million towards the Nc'wala Ceremony, which President Levy Mwanawasa is expected to grace in Chipata tomorrow.

This year's ceremony for the Ngoni-speaking people will double up as the 110th anniversary for the Anglo-Ngoni war and British High Commissioner to Zambia, Alistair Harrison (right), will represent Britain during the occasion.

Presenting the cheque in Lusaka yesterday, RSZ Corporate Affairs Executive Manager, Charles Phiri, said the railway firm was mindful that its publics hailed from various parts of the country, including Eastern Province.

Mr Phiri said although the company had no physical presence in Eastern Province, it was aware that some of the employees, clients and other stakeholders for the company came from there.

He said the entity was equally committed to the promotion of culture in the country, hence its move to donate.

Receiving the cheque on behalf of the organizing committee, committee head of public relations, Dickson Jere said the organizers were humbled by RSZ gesture especially that the firm had no railway line in Eastern Province.

Zambian Airways to provide direct flight for Nc'wala guests
