RSZ gets boost from GRZ

LUSAKA-government has proposed that fuel levy paid by Railway Systems of Zambia (RSZ) be earmarked to improve the railway infrastructure.

And according to estimates of revenue and expenditure fro 2009, RSZ has been allocated K2 billion from the Ministry of Finance and National Planning through investment activities.

In the budget speech, Finance and National Planning Minister, Situmbeko Musokotwane, said the measure was to support the rehabilitation of the railway infrastructure and improve rail transport.
