RSZ donates assorted items to Bauleni orphanage

By LINDA NYONDO
THE RAILWAY Systems of Zambia (RSZ) has donated assorted items to Bauleni Orphanage.

Speaking during the donation, RSZ personal assistant to the chief executive officer Leonisa Kamungulu said the donation was in line with the

company's corporate social responsibility.

"All RSZ members of staff have contributed various items which we decided to give Bauleni Orphanage. We hope this donation will make a difference in lives of people who will benefit," Ms Kamungulu said.

Ms Kamungulu said the policy of RSZ is to help vulnerable communities.

Receiving the donation, Sister Mary Catherine MacInnes said the donation will benefit the less privileged.

Sister MacInnes appealed to business houses to help the orphanage to cushion some of

the problems it faces, saying the grant they receive is not enough.

She said despite the orphanage having income generating projects like a bakery shop, garden and chicken rearing, it experiences financial constraints because the money realised from the projects is used to pay

teachers' salaries.

Sister MacInnes said children at the orphanage have potential to progress in life but lack financial support.

She said the orphanage has a community school, offers skills training and also looks after children with special needs.
