

Zambia: RSZ Aids Nc'wala

25 February 2011

RAILWAY Systems of Zambia board and management have donated K10 million towards this year's Nc'wala ceremony.

Making the donation in Lusaka yesterday, RSZ deputy managing director Charles Phiri said his company was honoured to be associated with this year's ceremony and assured the people of Zambia of his company's continued commitment to support traditional ceremonies.

Receiving the donation, Nc'wala organising committee treasurer, Noel Nkhoma thanked the board and management of Railway Systems of Zambia for their humble gesture, which came in handy and helped in meeting the committee's budget target of 465 million kwacha.
